CHIP IN FORE A CAUSE

A Premiere Golf Experience

The Gulf Winds Cares Foundation's First Annual Chip in Fore Charity Golf Tournament is a four player scramble with a few twists on the classic tournament. Featuring a closest-to-the-pin and longest-drive challenge for men and women, as well as a hole-in-one challenge, this tournament provides more than one way to leave a winner.

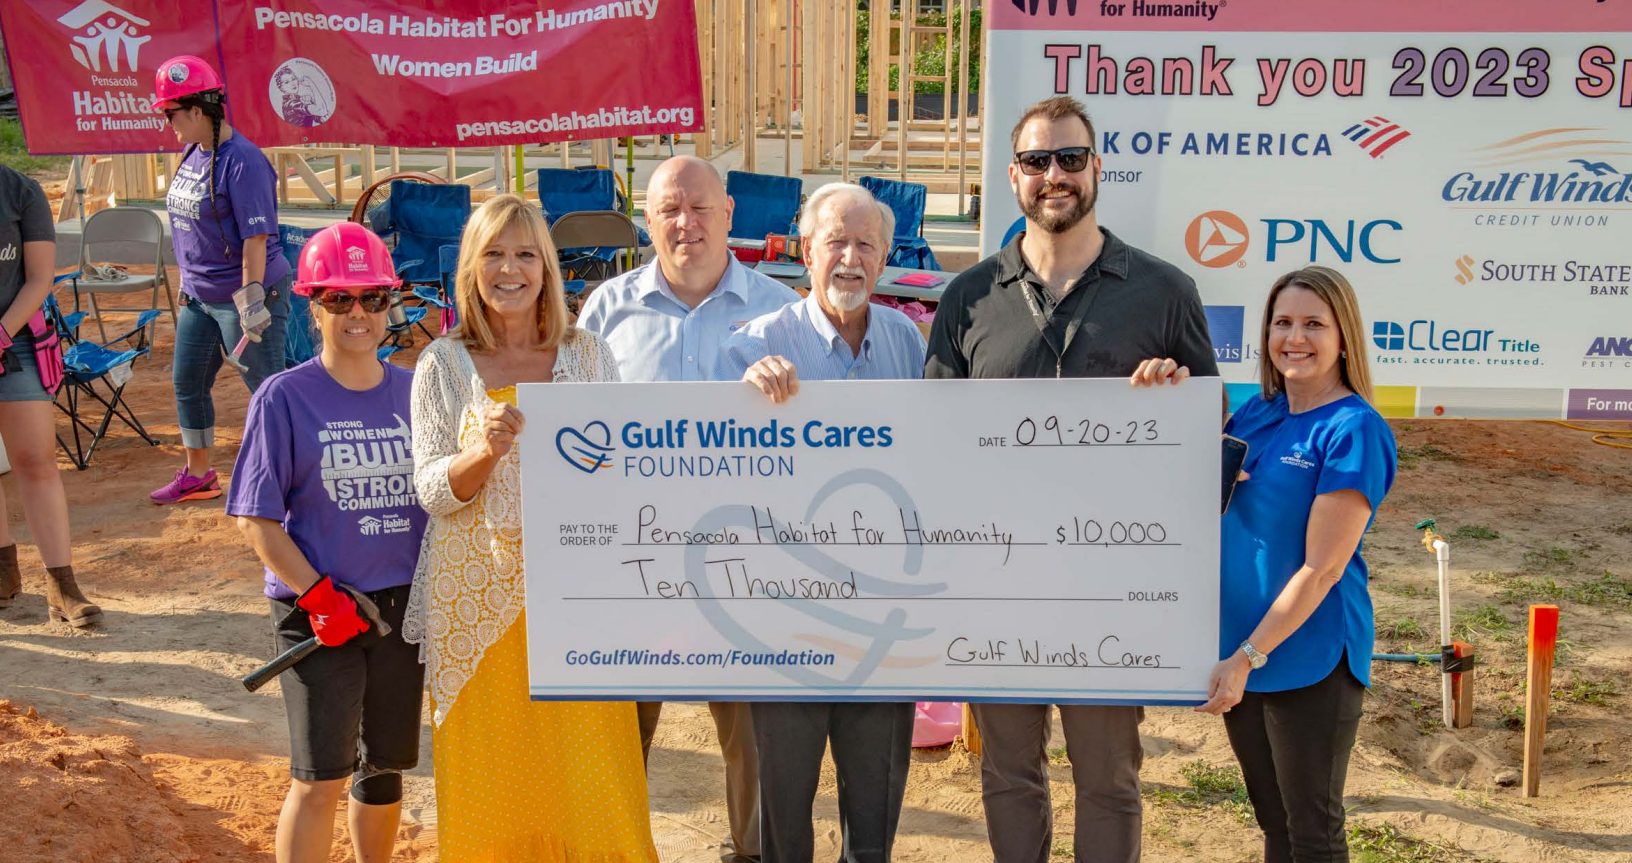

A great team builder and business networking opportunity, the Chip in Fore Charity Tournament promises a wonderful day from sunrise to final stroke. With an 8:00 a.m. tee time and limited space for just 30 teams, the day is an exclusive opportunity to show off your skills with friends and colleagues.

Gulf Winds Endowment

To build something lasting, philanthropic efforts must be sustainable. That is why the Gulf Winds Cares Foundation seeks to grow its endowment. A generous \$2M gift from Gulf Winds Credit Union for an endowment and annual donations for operating expenses and ongoing gifts have created a strong base for the Foundation, but we want to do more.

Sponsorship of the Chip in Fore Charity Tournament provides benefits for your business or organization that will further you in your mission and support ours.

Our Mission

The Gulf Winds Cares Foundation was founded in January of 2021 to formalize the longstanding charitable efforts of Gulf Winds Credit Union. The Foundation's mission is to create a sustainable funding source for community organizations that provide elder services, student services, basic needs and financial education. Our giving philosophy is to provide annual donations that can be depended on to help funded partners create sustainable programmatic results.

The Foundation represents the growth and success of Gulf Winds Credit Union. It is something our members, team and community can be proud of. If you want to help us build a sustainable funding source for key community partners, please consider making a donation or becoming a sponsor for this year's Chip in Fore Charity Golf Tournament—details on next page.
